

Pioneers

This issue of the Journal is dedicated to the following pioneers who have been constant source of inspiration.

- Ask not what your country can do for you, ask what you can do for your country. Great crises produce great men, and great deep of courage.
- J.F. Kennedy
- Try to write a single research paper which will take you to the top and keep your there forever
- Prof. Charles Fairhurst
University of Minnesota, U.S.A.
- Become example of exemplary character before your students.
- Prof. Jagdish Narain
Former Vice Chancellor, University of Roorkee
- Evolutionary success is not just a question of surviving: an individual must also pass on as many of its genes as possible to the next generation. Mating, giving birth and rearing the young are, therefore, vital activities.
- Richard E. Leaky
- There is no easy walk to freedom anywhere.
- Nelson Mandela
- Imagination is everything. It is the preview of life's coming attractions.
- Albert Einstein
- I believe that imagination is stronger than knowledge – that myth is more potent than history. That dreams are more powerful than facts. And I believe that love is stronger than death.
- Robert Fulghum
- I am the master of my fate.
I am the captain of my soul.
- William Ernest Henley
- There is a higher court than the courts of justice and that is the court of (pure) conscience.
- Mahatma Gandhi
- When sports can teach men superior skills in the armed forces, it can do wonders for working professionals. (Dancing is better for girls!)
- Ved Prakash Mahendru (2014)
Chairman Eon Electric Ltd.
